Not much change. Market BBQ now accurate. Extra insurance being paid, additional premium to bring in trustees and directors indemnity of 1m – committee covered. Level of cover is PL 5million, legal 250k, volunteers 10m and personal accident 10k. Quote is now £365 per year compared to £100 a couple of years ago but all agreed you get what you pay for. Richard accepted onto course for PAT testing in September in Usk.

Summer Picnic Feedback

Everyone agreed it was enjoyable and worked well in the Nave whatever the weather. Visitors to the village appreciated the location of the picnic. Saved taking all the tables and chairs up to the Town Hall and back down. Kept the wasps away being inside. Everyone that went seemed to enjoy the event. Nice easy event to do.
